

DR. E. ADY
WEST LIBERTY, IOWA.

RETURN IN 5 DAYS

West Liberty, Ia. Sept 3rd 1904.

On Sept 1st 1904 (the day set apart)
for the laying of this corner stone there
was born to her & her Robert Brooke,
a daughter.

She is at present the queen of the
household and it is earnestly
hoped that many of her spare
hours will be spent in this building.

It was published in the West
Liberty Enterprise that her young
dad was up on the roof and
that her grandfather (H. J. Stewart)
was giving away hay rakes.
Perhaps her children may see
this boy opened.
