Dear Sirs=

Mr. Hartman does not remember having ordered the atlas of Wapello Co. Will you kindly send the signed order that he may ~~be~~ be convinced. On receipt of this the bill will be paid at once.

One other thing was discussed by the Board in regard to the matter. It seems that there are various prices on the atlas= some paying \$5.00 others \$7.50 & others \$15.00 should

the Public Library not
have it at the lowest
price offered?

let me know how
far it will be ~~sent~~ ~~to settle~~
the matter -

Yours truly

Mary E. Downey,
Libr.
